About Astron Steelcast Pvt. Ltd.

Astron Steelcast Pvt. Ltd. is a leading manufacturer of ferrous investment castings produced through the lost wax process. Established in 2020, the company has built a strong reputation for precision, reliability, and quality excellence in the investment casting industry.

Mission

At Astron Steelcast Pvt. Ltd., our mission is not just a statement; it's a pledge to uphold excellence in every facet of our operations. We are dedicated to the seamless supply of quality products, adhering rigorously to timelines. Our commitment resonates through every process, ensuring that our clients receive not just products but a testament to precision and reliability.

"If you aim for nothing, you'll hit it everywhere. Don't leave anything in your business to chance." We believe in simple not the complex. We believe in deep collaboration and cross-pollination of our group which allow us to grow and develop in a way that others can't shine like us. We shall strive vigorously to delight our extensive network of clients- who are our very purpose.

Vision

Why You Should Choose Astron Steelcast Pvt. Ltd.

- International quality products at a competitive price.
- Lean, Flat and Focused Organization.
- Maintains full Lot Traceability through the Job card system.
- In-house Tool-room facility.

Our Service

01

Precision CNC Machining

We deliver high-accuracy manufacturing solutions for aerospace, defense, automotive, and engineering applications, ensuring top tier quality and precision.

02

Jigs & Fixtures

Our custom-designed jigs and fixtures enhance productivity and ensure consistent process reliability tailored to your specific needs.

03

Product Development

Backed by dedicated R&D, we specialize in new product engineering, rapid prototyping, and efficient batch production to bring innovative solutions to life.

List of Milling Machine

SR No.	Machine Type	Make	Size
1	Milling Machine	Cosmos Impex India Pvt. Ltd.	800 X 500 X 500
2	Milling Machine	Cosmos Impex India Pvt. Ltd.	1100 X 600 X 600
3	Milling Machine	Cosmos Impex India Pvt. Ltd.	1100 X 600 X 800
4	Milling Machine	Cosmos Impex India Pvt. Ltd.	800 X 500 X 500
5	Milling Machine	Cosmos Impex India Pvt. Ltd.	800 X 500 X 500
6	Milling Machine	Cosmos Impex India Pvt. Ltd.	600 X 450 X 500
7	Milling Machine	Cosmos Impex India Pvt. Ltd.	800 X 430 X 500
8	Milling Machine	Cosmos Impex India Pvt. Ltd.	1100 X 600 X 600
9	Milling Machine	Cosmos Impex India Pvt. Ltd.	1100 X 600 X 800
10	Milling Machine	LMW	400 X 500 X 400
11	Milling Machine	Hass	700 X 400 X 300
12	Milling Machine	BFW	1100 X 650 X 650
13	Milling Machine	Jyoti Automation Ltd.	800 X 500 X 500
14	Milling Machine	Jyoti Automation Ltd.	800 X 500 X 500
15	Milling Machine	Jyoti Automation Ltd.	600 X 450 X 450
16	Milling Machine	Jyoti Automation Ltd.	800 X 500 X 500
17	Milling Machine	Jyoti Automation Ltd.	1100 X 600 X 800
18	Milling Machine	Jyoti Automation Ltd.	700 X 400 X 300

List of Turning Machine

SR No.	Machine Type	Make	Size
1	Turning Machine	Jyoti Automation Ltd.	365 X 500
2	Turning Machine	Jyoti Automation Ltd.	480 X 700
3	Turning Machine	Jyoti Automation Ltd.	365 X 500
4	Turning Machine	Jyoti Automation Ltd.	365 X 500
5	Turning Machine	Jyoti Automation Ltd.	365 X 500
6	Turning Machine	Jyoti Automation Ltd.	480 X 700
7	Turning Machine	Jyoti Automation Ltd.	365 X 500
8	Turning Machine	Jyoti Automation Ltd.	365 X 500
9	Turning Machine	Jyoti Automation Ltd.	365 X 500
10	Turning Machine	Jyoti Automation Ltd.	365 X 500
11	Turning Machine	Jyoti Automation Ltd.	365 X 500
12	Turning Machine	Jyoti Automation Ltd.	365 X 500
13	Turning Machine	Jyoti Automation Ltd.	365 X 500
14	Turning Machine	Jyoti Automation Ltd.	365 X 500
15	Turning Machine	Jyoti Automation Ltd.	365 X 500
16	Turning Machine	Jyoti Automation Ltd.	365 X 500
17	Turning Machine	LMW	250 X 700
18	Turning Machine	LMW	250 X 500
19	Turning Machine	LMW	200 X 300
20	Turning Machine	LMW	200 X 200
21	Turning Machine	LMW	200 X 200
22	Turning Machine	LMW	200 X 300
23	Turning Machine	LMW	200 X 300
24	Turning Machine	LMW	250 X 500
25	Turning Machine	Jyoti Automation Ltd.	480 X 700

List of VTL Machine

SR No.	Machine Type	Make	Size
1	VTL	Ace designer Ltd.	700 X 700
2	VTL	Ace designer Ltd.	700 X 700

List of Other Machine

SR No.	Machine Type	Make	Size
1	Drilling Machine	-	-
2	Hydro Test	Pressure Jet	0-100 Bar
3	Air Test	-	-
4	Conversational Lathes	-	7"
5	Conversational Dhrill	Chirag	0.75"
6	Conversational Dhrill	Dhanlakshmi	1.5"
